Virtual HOUSING CONFERENCE

JUNE 11-13, 2021

OFFICIAL PROGRAM
Welcome to the fifth bi-annual Sigma Kappa National Housing Conference! Although we cannot be together in person, we are grateful that you can spend the weekend with us virtually.

Our programming team has put together exciting and informative sessions, as well as the opportunity to connect in the Remo platform. And, of course, what would a conference be without celebrating the accomplishments of our volunteers throughout the weekend! It is my sincere hope you have fun seeing old friends, making new ones and that you leave this weekend with more expertise than you arrived with to continue to develop and grow in your own volunteer experience.

In Sigma,

Susan A. Willis

About Remo

Remo is an online interactive events platform that connects people in a more authentic way, and it is the new platform for the NHC Virtual Housing Conference! By now, you should have received an e-mail invite directly from Remo inviting you to register, as well as reminder e-mails as the event approaches. As with any new technology, we want to provide the best resources possible to ensure success. Below are some tips and links to resources to help you prepare for the conference!

How to Register for a Remo Event?

You will receive invite e-mails and reminders from noreply@remoinvite1.co — please check your junk/spam and add this e-mail address to your approved senders list to ensure you receive all messages and reminders from Remo! To accept, click “Accept Invitation” in your e-mail to officially register for the event.

What Operating Devices and Browsers are Supported on Remo Conference?

We highly recommend exploring the above link a couple of days before the conference to ensure your browsers are compatible and up-to-date for the best event experience. For those on Chromebooks and iPads, you may receive an error, but don’t worry! Just click the “LET’S GIVE IT A TRY!” button to test and update your browsers. You may also join from an iPhone or Android mobile device. Your best connectivity will come from your desktop or laptop computer connected to the internet with current operating systems and web browsers.

Conference Expectations

- Arrive on early: Arrive with enough time to get a cup of coffee, log in, test your browser and operating devices, and get settled. We will be beginning promptly on time each day.
- Keep your camera on, and microphone off, to ensure active participation.
- We will not have small breaks built in, so if you need to take a small break during a session, please do so as needed. We will have a long scheduled break in the middle of the day on Saturday and Sunday, so that will be the time to grab a bite, take a walk, and do whatever you need to do to refresh for the rest of the afternoon. We will have the Remo platform open for 1 hour before and after the day’s sessions, plus during the long break, which will allow for any meet-up time, so take advantage of the scheduled time to meet up as you would in person!
- Remo offers a Chat and Q&A option during live presentations. Your camera and microphone will not be available during a presentation, so use the Chat box to message other attendees or the whole group. The Q&A is the perfect spot to ask questions for our presenters, and it will be monitored! If we can’t answer them in real-time, we will take note and follow-up after the conference to ensure we get you the answer you need.
- You will get from this conference what you put in, so actively participate! We all have things we can learn from each other, and share from our own experiences, so let’s take advantage of your time together and make the most of it.
- Have fun! We will have surprises throughout the weekend, so keep an eye out!

The Longest Day Fundraiser

The Longest Day is the day with the most light — the summer solstice. On June 20, people from around the world will fight the darkness of Alzheimer’s through a fundraising activity of their choice. Join the NHC board and coordinators as we fight to end Alzheimer’s. The NHC is hosting a virtual 2021 Longest Day fundraiser, with a goal to raise $2,000 by the end of the Longest Day of the year.

College Chefs

College Chefs provides best in class chefs, kitchen staff, and health food options for fraternity and sorority houses across the country. College Chefs revolutionized the food service industry for the fraternal market by building a company of classically-trained chefs preparing fresh, healthy, delicious food. Jordan Wigton and Liz Pelc have been helping Sigma Kappa corporations meet the culinary needs of members since 2014.

Cindy Stellhorn is Executive Vice President and Principal of MJ Insurance, Inc. in Carmel, Indiana. She is a graduate of Indiana University, where she was an active member of Kappa Alpha Theta Fraternity. It was this incredible experience where she developed her leadership skills and her passion for “women helping other women” that has been the cornerstone for her professional career: Cindy’s panhellenic passion has continued through multiple volunteer positions including housing, and is present today not only in her work but also with the advocacy efforts of the fraternity, sorority political action committee.

Amy Hebbeler is an associate attorney with Fraternal Law Partners, the law firm of the NHC. Amy’s practice focuses on the issues specific to fraternities, sororities, fraternal foundations and house corporations. Amy’s areas of expertise include corporate law, real estate law, nonprofit tax law, and grantmaking. She is a member of the Cincinnati and Ohio State Bar Associations. She earned her B.A. in History and International Studies from Centre College (2013, cum laude). She then earned her J.D. from Northern Kentucky University Salmon P. Chase College of Law (2016, summa cum laude). While there she was an Associate Editor for the Northern Kentucky Law Review and Vice President of the Chase Chapter of the Federal Bar Association.

11:00 AM ET/10:00 AM CT/9:00 AM MT/8:00 AM PT ........... **Diversity, Equity, Inclusion & Access in Housing with Vicki Clark Consulting**

An organization is only as effective as its culture. Building that culture needs to be a collaborative effort between its members, leaders, and stakeholders. Working closely with the Sigma Kappa executive team this past year, DEIA consultants Vicki Clark and Chela Sanchez, will help navigate the conversations around DEIA in housing, implicit bias, change management, and other factors needed in the work for a welcoming, inclusive environment in housing.

**Chela Sanchez**
DEIA Consultant, Vicki Clark Consulting
vickiclarkleadership@gmail.com

Based in Memphis, Tennessee, Vicki Clark has devoted the past 30 years of her career to building capacity of organizations and individuals; inspiring community and business leaders to take action. She is known for her work in the specialty areas of leadership development, inclusion and diversity, equity, inclusion, antiracism assessment, training and facilitation, board development, strategic planning, volunteer resource development and effective communication. Her work spans dozens of corporate clients, nonprofits and government organizations. Her work as a consultant, coach, trainer and speaker have given her infinite opportunities to learn from and share with people from all walks of life. She meets people where they are, never gives up, and believes in the power of prayer. Even at her age and with all that she has experienced, she continues to be A WORK IN PROGRESS.

Chela Sanchez epitomizes reliability, creativity, energy and heart. Originally from Oregon, Chela has worked in tandem with nonprofits throughout her working career in business development. Chela is known for her ability to excel at a wide variety of projects including project management, community building and mobilizing resources to execute action. She is the second set of eyes and Vicki’s right hand in developing recommendations in DEI planning. Her work helps individuals and organizations push past bias, social barriers and stereotypes, to help us all move forward together through mutual respect, appreciation and understanding.
