

Join us for the Virtual Sigma Kappa Housing Conference!

2021 HOUSING CONFERENCE

Friday, June 11- Sunday, June 13, 2021

Now is the time to register for the 5th Sigma Kappa Housing Conference, held virtually for 2021! Although we cannot gather together this summer, we will continue our tradition of spending a weekend learning and growing as housing volunteers. Our new virtual format will be packed with valuable information and volunteer development. The weekend will focus on the wholistic volunteer experience, while gaining the tools for strategizing and forward thinking. We hope you can join us for a weekend of learning and gaining insights to volunteer excellence!

Friday, June 11 – We will kick off the weekend with a welcome happy hour! Bring your favorite drink to our virtual welcome, where we will set expectations and start our conference with some fun!

7PM – 9PM Eastern / 6PM – 8PM Central / 5PM – 7PM Mountain / 4PM – 6PM Pacific

Saturday, June 12 – Now the work begins! Our theme for the weekend centers around housing strategies and the wholistic volunteer experience. On Saturday, we will focus on the What and the How of housing strategies, with a large group keynote and small group breakouts.

11AM – 5PM Eastern / 10AM – 4PM Central / 9AM – 3PM Mountain / 8AM – 2PM Pacific

Sunday, June 13 – We continue our focus on housing strategies, shifting to the Who and the Why. Discussions around diversity, equity, inclusion and access (DEIA) and strengths will be had, allowing us to examine who we are serving and why, so we can continue to develop as volunteers.

11AM – 5PM Eastern / 10AM – 4PM Central / 9AM – 3PM Mountain / 8AM – 2PM Pacific

With our new platform, Remo, we will also have time to mingle, have sidebar meetings, and get a real conference feel out of our virtual format. The weekend will also have prizes and our annual housing award recognition sprinkled throughout, so you don't want to miss!

Registration is open through Saturday, May 15, 2021.

Cost: \$39 per corporation board member

** Corporations meeting minimum housing standards will be granted a buy one, get one registration: a free registration for a board member for the cost of one! Corporations that achieve 100% participation of their board members will be registered for a fun prize, so all should sign up!

The NHC will prepare and send a Sigma Kappa National Housing Conference invoice to the corporation/chapter or entity for conference expenses after June 1, 2021. Corporations meeting the minimum requirements for the Keys to Housing Excellence are eligible to receive one complimentary registration for each paid registration. Participants registered from the same corporation will be included on one invoice.

Invoices for NHC participant corporations will be sent to the assigned financial services specialist in the NHC office; invoices for Sorority-supervised corporations will be sent to the corporation board president and treasurer.

As we have in past conferences, a session during the weekend will focus around the CliftonStrengths Assessment and the strategies you and your corporation board need to work at your best every day. We'd like all participants to have completed the online CliftonStrengths assessment prior to the conference. In fact, you'll need to include in your registration your top five strengths - so now is the time to take the assessment!

You can get an access code from the NHC for the assessment by emailing nhcinfo@sigmakappa.org. Please put STRENGTHS CODE in the subject so that we prioritize the response. With the code, you will be given the instructions on accessing the assessment which then gives you your top five strengths and the e-book, StrengthsFinder 2.0!

Otherwise, you can visit gallup.com and purchase the CliftonStrengths assessment and e-book without a discount.

- Purchase the e-book online [StrengthsFinder 2.0](#) from your favorite bookseller and use the access code inside the cover. The book includes an explanation of the theory and research behind the assessment and describes, in detail, all 34 strengths.
- Visit the [Gallup Strengths Center online](#) and purchase Top 5 StrengthsAccess for \$19.99.

Don't wait, register now!

REGISTER TODAY

If you have questions, please e-mail nhcinfo@sigmakappa.org. Can't wait to see you this summer!
