IN LOVING MEMORY

We remember and honor the Sigma Kappas we lost since the last time we were together.
ALUMNAE MEMBERS
(in the order of their passing)
Debra received the Sigma Kappa Colby Award for Technology Management in 1996 and was one of the world’s leading authorities on knowledge, innovation, and e-learning processes, plus enterprise transformation.

She authored seminal books in several languages, such as “The Ken Awakening” (1997) and “The Innovation Superhighway” (2003) which has been called “the breakthrough innovation book of the decade.” Debra was a role model for innovative women in business and will be missed.
Past national council member Katherine Dunn Lathrop, *Epsilon*, Syracuse University, passed away at the age of 98. Katherine was a longtime national volunteer for Sigma Kappa and served for eight years on national council.

"Her encouraging enthusiasm and sincere interest in people, especially Sigma Kappas, worked wonders with the nearly 160 alumnae chapters and their enterprises."

Katherine truly exemplified Sigma Kappas values.
Phyllis Markley

*Delta Sigma, Western Illinois University*

Phyllis was a member of national council for eight years, serving as national secretary from 1982-84 and national president from 1984-90. She was a charter board member of the Sigma Kappa Foundation, serving as its president from 1990-92 and trustee from 1989-93.

“Phyllis was a true example of a lifetime member of Sigma Kappa. Her service and dedication to this organization will continue to be an inspiration to us all.”

“It was a pleasure to serve on national council with Phyllis. She was an outstanding president; much was accomplished under her dynamic leadership. It was my privilege to have her as a friend and sister.”
Past National Council Member Aubrye Harris Foote, *Theta Beta*, University of LaVerne served as national vice president for communication from 2014-2016.

National President Sara Seely Chacon, Gamma Alpha, University of Northern Colorado, served with Aubrye on national council and described her as an incredible mentor and friend who brought positivity and passion to all she did as a dedicated volunteer for Sigma Kappa. She felt that Aubrye’s leadership and strong belief in the potential of others greatly impacted the lives of many sisters. Aubrye will be deeply missed. She is survived by her daughter, Brielle.
Dr. Sarah Weddington
*Zeta Nu, University of Texas at San Antonio*

Dr. Weddington was an attorney, legislator, Presidential advisor, professor, author, expert called upon by the national media and institutions of higher learning, and advocate for women’s rights throughout her life.

She was initiated into the Zeta Nu Chapter of Sigma Kappa at the University of Texas at San Antonio as an alumna initiate in 1994 and was a keynote speaker and honored guest at Sigma Kappa’s convention in Ponte Vedra Beach, Fla., in 2018.

Through her organization, The Weddington Center, she worked to get more women into higher leadership positions as well as to encourage more people to become involved in public and volunteer leadership.
Barbara Williams Fenters

_Gamma Gamma, Indiana State University_

Barbara served the Sorority, Foundation and National Housing Corporation during a more than 60-year volunteer career, beginning as a leadership consultant in 1960. Some of her many volunteer positions included Foundation trustee and vice president of finance, national vice president for collegiate chapters, and National Housing Corporation President. She was instrumental in the formation of the National Housing Corporation in 1994.

National Housing Corporation President Susan Willis, _Epsilon Epsilon_, shared, "Barbara's work in establishing the National Housing Corporation put our organization ahead of many of our Panhellenic sisters and helped create a model for many others to follow. Without her hard work and dedication, the NHC would not be what it is today."

National President Ann O'Connell Adams, _Theta_, remembered Barbara as a visionary and a change agent. She said, "I called on Barbara's wise counsel during my presidency for historical context on Sigma Kappa policies, and learned from our conversations about her influence on Sigma Kappa's first significant steps toward diversity and inclusion decades ago."

According to Foundation President Dawn O'Connor, _Tau_, "Barbara very simply could light up any room she entered. She was loving and loyal and had a great Sigma Kappa tale to tell."
COLLEGIATE MEMBERS
(in the order of their passing)
Katherine “Kate” Hunter
 Theta Lambda, Massachusetts Institute of Technology

“Kate was a cherished and beloved member of our sisterhood. She always had a smile on her face – in the boat, on the dance floor, in the kitchen, and in the chapter room on movie nights. It’s hard to picture all of these places without her in them, and we should all consider ourselves incredibly lucky to have had the chance to know her and to be her sorority sister and friend.”

- Madison Darmofal, Theta Lambda Chapter President
Morgan McCoy

*Kappa Alpha,* Northwest Missouri State University

“Morgan was loving, confident, and full of life. She constantly had a smile on her face, and she could light up any room she walked into. Making other people smile brought her so much happiness. She was passionate about helping others, especially children, and she was going to be a phenomenal teacher. Morgan had a huge impact on our chapter, and she will be missed by many.”

- Natalie Zook, *Kappa Alpha* Chapter President
Marissa Murrow

*Delta Chi, University of Central Oklahoma*

“There aren’t enough words to describe Marissa. To attempt to find the words: she was kind, she was selfless, she was graceful, she was intentional, she was compassionate, and, above all, she was your sunshine on a cloudy day. A piece of our hearts left when Marissa did. Our chapter will never be the same – a light is missing from this house. Marissa is the kind of person everyone strives to be.”

- *Delta Chi* Chapter
Ashley Gough
Delta Theta, Truman State University

“Ashley was the sister known for being bright and bubbly. She was able to make everyone she talked to feel so seen, loved, and appreciated. Ashley could put a positive spin on any situation and could make you laugh at even the darkest of times. She was well loved and will be dearly missed.”

- Delta Theta Chapter
Haley Jablonski

*Alpha Delta*, University of Tennessee, Knoxville

“It is with great sadness that *Alpha Delta* mourns the loss of our member, and sweet sister Haley Jablonski. Anyone who was lucky enough to meet Haley knows that she was the kindest, and most easy going soul, and had the brightest smile. We will forever miss our sister, Haley.”

- *Alpha Delta* Chapter
“Keira Dillon was a daughter, best friend, and beloved sister. We will miss her every day. Rest easy our angel.” Keira’s goal was to become a pediatric surgeon. She loved to travel, especially to Lahaina, Maui, with her family, going to the beach, dressing up, shopping, cheer, and children, especially all of her second cousins.

- Theta Omicron Chapter
Victoria Marsh
Close friend of the Theta Delta Chapter, the University of Delaware

“Victoria truly did leave a mark on everyone in Sigma Kappa and brightened up any room she was in with her radiant smile and positive attitude. She will hold such a special place in all of our hearts, and it was such an honor to have known her. Victoria’s story and strength is truly amazing and she was an inspiration to each and every one of us! We will always love you Victoria!”
