

A message of gratitude and hope from the Sigma Kappa Foundation.

Dear Sisters,

Sigma Kappa values teach us that service, kindness, and taking care of one another are instrumental to our well-being. As shared in the video message above, we should take heart in knowing that our sisters deeply care, especially during these uncertain times. We recognize in the midst of COVID-19, some of our collegiate and alumnae members are going to need our support more than ever. Our immediate focus is to raise funds to support sisters through emergency grants; every gift, every dollar can make a remarkable and life changing impact. Together, we make it possible.

The **Alumnae Heart Fund** is designed to provide assistance to alumnae who find themselves facing financial distress, emergency or crisis through aging, medical, natural disaster or other severe personal or family problems. [DONATE HERE](#)

The **Collegiate Emergency Grant** was created to aid truly needy collegiate members in good standing, who find themselves in financial distress, due to unforeseen life-changing circumstances. Grants are restricted in their use to payment for tuition and books, rent and housing related expenses, personal medical bills, replacement of personal items, and other critical needs to help keep the member in school. We appreciate each of you. Please be safe and take care of yourselves.

Sincerely,

Lisa Swiontek
