Arrival Information

Chapter member and advisory board supervisor (ABS) travel to and from the RLC is the responsibility of the chapter. Please plan to arrive at the hotel no later than 2:00pm on Friday of the conference. Before the general session programming begins, ABSs have meetings they are required to attend. These meetings will review the goals of the RLC weekend and clarify expectations and roles during the conference. ABSs have meetings at 2:30pm and 3:30pm. Registration will be open from 2:00pm until 4:30pm and the first general session will begin at 4:30pm as well.

Driving Information

There is discounted self-parking for guests at the LAX Hyatt at \$20 per night. There is no self-parking option at this hotel, but additional parking options are available [here](#). Each driver should complete a copy of the Designated Driver Guideline and Responsibilities form, located under the Columbus RLC section on the RLC website page. If your campus allows use of university vehicles for group transportation, please contact Julia Kozicki at national headquarters at jkozicki@sigmakappa.org, or 317-872-3275, to verify insurance requirements prior to reserving the vehicles. A completed designated driver form should be given to the ABS.

Air travel

Should you choose to fly to the RLC, the recommended airport is Los Angeles International Airport (LAX). The hotel has a complimentary shuttle that runs 24 hours a day, and no reservation is required. The shuttle, which is purple and white, runs every 15 minutes and departs from the 2nd floor of the airport. The hotel is adjacent to Terminal 1, and it is possible to walk to the hotel from the terminal. The hotel shuttle services all terminals. When booking return travel, please book a flight that leaves no earlier than 3:00pm.

Inclement Weather Plan

The decision to cancel the RLC due to inclement weather will be made no later than noon on Thursday prior to the event. If such a decision is made, it will be communicated to all attendees and facilitators via email, phone and social media postings.

When traveling to and from the RLCs, safety is our top priority. Chapters are encouraged to use common carriers for transportation (flying, taking the train or renting a bus) whenever possible to minimize the need for individuals driving. Should your chapter choose to drive, please use the designated/event driver form located in the chapter president resources. If inclement weather impacts travel to or from the RLC, please inform your location's lead registration staff member and they will help you plan how to remain safe during your travels.
