Inclement Weather Plan

The decision to cancel the RLC due to inclement weather will be made no later than noon on Thursday prior to the event. If such a decision is made, it will be communicated to all attendees and facilitators via email, phone and social media postings.

When traveling to and from the RLCs, safety is our top priority. Chapters are encouraged to use common carriers for transportation (flying, taking the train or renting a bus) whenever possible to minimize the need for individuals driving. Should your chapter choose to drive, please use the designated/event driver form located in the chapter president resources. If inclement weather impacts travel to or from the RLC, please inform your location's lead registration staff member and they will help you plan how to remain safe during your travels.
