From Nov. 7 - 11 join other Sigma Kappas to celebrate our history of sisterhood and service to others!

**Nov. 7 - Loyalty**
Reaffirm the values and your loyalty to Sigma Kappa as we move closer to Founders’ Day. Connect with another member and share why you joined. Then join us for the virtual Week of Giving Celebration with the Sigma Kappa presidents at 8 PM Eastern. All members and their loved ones are invited!

**Nov. 8 - Service**
Join your collegiate or alumnae chapter in serving your community! Don’t have a chapter nearby or need other ideas?
- Support those in public service by voting in your local election or even signing up to be a poll worker in future elections.
- Visit [www.volunteermatch.org](http://www.volunteermatch.org) to find an organization to support in your area.

**Nov. 9 - Minutes of Giving**
Support the Foundation and our members by participating in 1874 Minutes of Giving! Funds support five funding priorities: philanthropic initiatives, unmet and emerging needs, leadership development, sisters in need, and education.

**Nov. 10 - Personal Growth**
Take some time for you! Here are some ideas for focusing on personal growth:
- Create a vision board
- Write out goals for this month
- Write down five things you love about yourself
- Practicing breathing exercises
- Take a personality test to learn more about yourself
- Check out resources on the Sigma Kappa Learning Center

**Nov. 11 - Friendship**
Connect with friends, other members, or even complete strangers to make someone’s day. Give someone a compliment, write a thank you note, give someone a gift, or just spend time with a friend. Small kindnesses can ripple through someone’s life and make a huge difference!
